TERMS: **Valley Electric Inc** agrees to provide the maintenance services described on page 2 for the period commencing upon payment of the charges set forth above and continuing for the one or two year Term selected by Customer. This Agreement will renew automatically for additional terms of one year each unless terminated by written notice at least 30 days prior to the end of the then current Term. This Agreement covers only the routine maintenance services specified on page 2. All required Parts and additional labor not covered by Manufacturer's warranty will be supplied at additional cost. All work will comply with manufacturer's guidelines and be performed in a professional manner and **Valley Electric Inc** agrees to correct any non-conforming services provided hereunder promptly. Valley Electric Inc. disclaims all other warranties, express or implied. Customer agrees that in no event shall **Valley Electric Inc** be liable for indirect, consequential, special, exemplary or incidental damages of any kind arising out of this Agreement.
